## Events this month:

- **Saturday, 3/28 @ 2:00pm - Un-mounted meeting with guest instructor Hayley. She will be showing us the proper technique for lungeing. It is important for members who expect to rate this year to learn the correct way to lunge. This is an area of the test that has a high failure rate for Pony Clubbers, so please plan on attending.**

## Meet Hayley Sullivan

My name is Hayley Sullivan and I am a B Traditional member of Portuguese Bend Pony Club in the Camino Real Region.

My parents bought me my horse Riley, or All Riled Up, 10 years ago when I was just a D3. At the time he was a 4 year old, fresh off of the race track. We have come a long way together and have worked hard to get the B rating and the CCI I\* level of eventing. In June of last year, I graduated from UC Davis with a degree in Equine Science.

While living in Davis CA for the past 4 years, I was a regular instructor for the Parnache PC of the Sierra Pacific Region. I also was a member of the UC Davis Equestrian Team. Now that I am back living in Southern CA, I teach for my own club, Portuguese Bend, as well as the Palos Verdes PC in our region. You may remember me as being the head dressage instructor at our regional summer camp two years ago.

I now am a first year veterinary student at Western University of Health Sciences in Pomona, CA. I will graduate in 2018 and plan on being an equine sports medicine vet! I love teaching, especially for USPC. I know that without pony club I would not be where I am today.

Please feel free to email me if you have any questions about academics or horses!
